Community Enhancement Programme Community Activities Fund 2022 in Partnership with the Cork City Council Community Development Grants 2022

Community Enhancement Programme Community Activities Fund 2022:

The Community Activities Fund (CAF) is funded by the Department of Rural and Community Development. To view a press release on the launch of the CAF by the Minister for Rural and Community Development, Heather Humphreys TD, and the Minister of State with responsibility for Community Development and Charities, Joe O'Brien TD, please click [here](#) or visit www.gov.ie. The funding allocated for Cork City area is managed by Cork City Local Community Development Committee (LCDC) and Cork City Council.

Cork City Council Community Development Grants 2022:

Cork City Council is delighted to announce the Cork City Council Community Development Grants 2022. This grant will partner the Communities Activities Fund in terms of the application process. Community and Voluntary groups will now only need to complete **one online application form** whilst at the same time applying (where eligible) on the different grant schemes.

FUNDING APPLICATION CALL: PLEASE (ATTENTIVELY) READ THE FOLLOWING:

The Community Section of Cork City Council will open a call for applications to the following grants on the 21st January 2022 at www.corkcity.ie/community-funding:

- LCDC Community Activities Fund 2022 for **Non -Pay Running Costs**
- LCDC Community Activities Fund 2022 for **Capital Funding**
- Cork City Council Community Development Grants 2022 **Capital Grants**
- Cork City Council Community Development Grants 2022 **Project Grants**

Community and voluntary groups, who fit the criteria, can apply strategically, under the 3 following headings:

Non Pay Running Costs, Capital Grants, Project Grants

Please note that while there are two separate Capital Grants outlined above, applicants are only eligible to apply for **one capital grant**.

Grant information and criteria for applying will be clearly outlined in the application details. The application forms must be filled out online through the Cork City Council Submit portal. An administrative staff member will be assigned to support groups through the process once the call is open.

The call for applications will open on 1.00 p.m. on **Friday 21st January 2022** and will close at 5.00 p.m. on **Monday 21st February 2022**. Late applications will not be considered.

Further information on the Communities Activities Fund and the Cork City Council Community Development Grants 2022 along with details on how to apply can be accessed on www.corkcity.ie/community-funding

Issue 096: Wednesday 19 Jan 2022

Learning from others to develop Child Friendly City Cork

On Tuesday 25th of January from 11am to 1pm, Let's Grow Together Knocknaheeny is hosting an online exploratory and learning event to kick start a year of developing this piece of work.

This event is officially being opened by Lord Mayor of Cork City, Cllr Colm Kelleher. We will hear from the cities of Belfast, Liverpool and the town of Billund. We will have an input from Children's rights and participation expert Professor Laura Lundy;

& from Adrienne Rodgers, Director of Services, Community, Culture & Placemaking who will give an input on behalf of Cork City Council.

There will be a chance to reflect on all the information presented and give your own thoughts and perspectives.

It is an opportunity to have a say, learn from others and connect with each other to build this initiative together with children.

Please register using the link here: [https://](https://www.eventbrite.ie/e/learning-from-others-to-develop-child-friendly-city-cork-tickets-243451920247?aff=ebdssbdestsearch)

We are all in this together

A Government of Ireland Initiative

Think before you meet up.

R.S.V.P.

Risk, Symptoms, Venue, People.

Ask yourself the questions overleaf and assess your level of risk or visit gov.ie/riskaware

#BeRiskAware

Rialtas na hÉireann
Government of Ireland

RISK

Am I vaccinated / have I received my booster?

Being vaccinated offers good protection against severe illness and hospitalisation and lowers the risk to you and others.

Am I more vulnerable than others?

Activities involving meeting others is higher risk so you need to take steps to protect yourself.

Will I be there longer than 2 hours?

The shorter the duration of an activity, the lower the risk.

Will the event be indoors?

Indoor activity is riskier than outdoor activity.

If the activity is indoors, will there be adequate ventilation?

Let fresh air in to reduce the risk of COVID-19.

SYMPTOMS

Do I have symptoms that could be associated with COVID-19?

If you are displaying any symptoms, you should stay at home and arrange a PCR test - do not go out.

Does anyone I'm meeting have symptoms that could be associated with COVID-19?

Feel comfortable asking the people you are meeting if they have symptoms and if they do, advise them to stay at home and book a PCR test.

VENUE

Can I keep a safe distance from others?

By keeping your distance from others, you can reduce your risk - be aware that this may be more difficult in some places.

Will the venue be crowded?

Avoiding crowded places will reduce the risk associated with an activity.

Will I/we wear masks?

Wearing masks reduces the risk for everyone.

Is it a well-managed premises?

If a venue is not following public health guidance, including checking your vaccine pass, there may be a higher risk. You should take your business elsewhere.

PEOPLE

How many people am I meeting?

The more people you meet, the greater the risk.

How many households are meeting up?

Getting together with your own household is lower risk. The more households you meet with, the greater the risk.

Am I meeting vulnerable people?

You should take particular care if you are meeting with vulnerable people. You should take steps to protect them such as wearing a mask or taking an antigen test before meeting them.

Are the people I am meeting vaccinated / have they received their booster?

Being vaccinated offers good protection against severe illness and hospitalisation and lowers the risk to you and others.
